Private Construction of Public Improvements				
• Drawing review and application	\$100 Fixed Fee plus 0.6% of engineer's construction cost estimate			
• Permit to construct public facilities	\$100 Fixed Fee plus:			
	4% of project cost from \$0 to \$25,000			
	3% of project cost from \$25,001 to \$50,000			
	2.5% of project cost above \$50,000			

¹ Plus the actual cost for planning consultant, attorney, or consulting engineer not covered by base fee. Each applicant shall be required to sign an agreement requiring the applicant to pay any and all costs as outlined above and determined by the City staff to be above the costs covered by the non-refundable base fees. This agreement is required to be submitted as part of each application.

² If multiple land use applications are necessary for a single project and combined for the purpose of processing, the applicant shall pay the highest base fee of the applications necessary, plus 50% of the other base fees involved.

³ The fee for an appeal of decision from the Planning Commission to the City Council is one half the base fee for the application type.

⁴ If a professional study is submitted by an applicant, such as a traffic impact analysis, a geologic hazard study, or other study where the City needs to engage outside professionals to perform a peer review of the submitted study, the applicant shall pay the cost of that outside peer review. If agreed to by the applicant, the City can perform any needed studies with the costs paid by the applicant.

⁵ The City shall maintain records of costs for outside consultants which will be the basis of determining if extra fees are required as well as their amounts. These records will be available to the public.

⁶ If multiple land use applications are necessary for a single project and combined for the purpose of processing, the applicant shall pay the highest base fee of the

applications necessary, plus 50% of the other base fees involved.

⁷ The base fee shall be paid with the initial application. If the City determines additional payments are necessary, at the City's discretion, a deposit can be required from which funds will be used to pay the extra fees. Any deposit amount not expended by the City will be refunded within thirty (30) days after final action on the application. If there is no deposit required, the applicant will be invoiced monthly for the extra fees. Collection of fees will be managed in the same manner as other City fees. Fees that are not paid in a timely manner will not stop the processing of a land use application, but the City will seek collection as with other City fees.

⁸ \$150 of which will be applied to the base fee for a subsequent application if filed within ninety (90) days.

¹⁰ Fee established using the 2nd commercial fixed charge.

¹¹ Plus a \$125 Albany Fire Review Fee
